UNIFORM POLICY AND DRESS CODE

Purpose:

Holy Family School maintains a strong tradition of school uniforms that reflect school pride and appropriate regard for personal appearance. Holy Family School also seeks to establish an environment where children are known for who they are inside, rather than the appearance they project on the outside. We expect all parents and students to support and comply with this policy. Failure to cooperate with the uniform policy will result in disciplinary action.

At Holy Family School we wear uniforms because:

- They represent our Catholic school image.
- They discourage differences brought about by various income levels, thus eliminating unnecessary peer pressure and allowing the attention of the students to be directed towards academics.
- They assure that the dress standards of the school emphasize neatness.
- They promote an image of pride both at and away from school and help create a positive climate of discipline and responsibility.
- They promote an attitude of moderation and modesty.

Expectations:

- Parents are expected to help children keep the school uniform code.
- It is expected that students will be in uniforms that fit properly and are neat, clean, and in good repair.
- All students shall have a sweater and will wear "full uniform" on designated days such as Mass days, prayer services, picture days, and other special events.
- All uniforms, coats, book bags, backpacks, lunchboxes, etc. must be marked with the student's name.

Students at Holy Family School are required to wear the school uniform as outlined below.
