## Christmas Program

All families are invited to attend!

Our Christmas Program will be presented in our Church on December 14, 2023. The Concert will begin at 6:30.

**The school and church will open at 6:00 for families to arrive.**

**Students in Pk-7 are to report to their classroom no later than 6:15 ready to perform. 8th grade students will meet in the Smith Room.**

Parents, please keep all coats, bags, or other items with you.

**Band students will stage their band cases in the Parish hall near the PE closet before going to their designated meeting room.**

**Students in grades PK-7 are to wear their fanciest Christmas attire for the program.**

Helpful dress-up ideas: for boys - holiday inspired vests and bowties, and for the girls - dresses, holiday sweaters, skirts, nice pants.

Think of dressing "up" for attending the Nutcracker or Christmas Mass.

Please no casual wear like jeans, sweats, or leggings.

Students in 8th grade will be provided with costumes. Please see details from Mrs. Burk about appropriate attire for under the costumes.

When the concert ends, **students will be released to parents from their spot in the church.**

Check out with your child's teacher.

**All families are invited to attend the Parent Club sponsored Cookie & Milk reception.**

Children are to remain with their parents during this time.

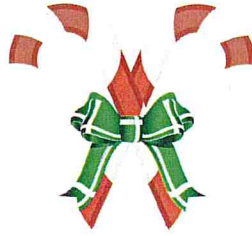

Families are free to depart from the church and Parish Hall at their discretion.

Campus will close at 9:00 PM.

We look forward to sharing this program with all of you.

## **Announcement – Action Required**

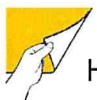

*The Scrip Program as you know it will be gone in 188 days if no one else volunteers to help*

- Terminating, or reducing, the program has far-reaching ramifications in financial planning for HFS
- Financial planning needs to be done in January for the 2024-2025 school year

### *How You Can Help ...*

- I still need 2 more people to spend a couple hours each week at the school (must be Virtus trained).
- Thuy Nguyen and Hien Nguyen have stepped up to help at school, and Lonnie Larsen has volunteered to support behind the scenes from home. THANK YOU ALL!
- Splitting the work up amongst a team will make the workload much more manageable. Come see what it takes and learn how to modify things to fit your schedule.
- I need the team in place by the start of the new year.
  - so timely, crucial, financial plans for the following school year can be made, and
  - to begin our training together

Please consider helping the Scrip Program to continue as is. Contact Lisa Leskovar for more details if interested.
