Dear Parents and Guardians,

The Holy Family School family life program, *The Formation for Love and Chastity* will begin this month in grades five through eight. As we prepare to begin this course of study within the school, I wanted to take this opportunity to provide an overview of the curriculum.

*The Formation for Love and Chastity* will be taught over the next few weeks. The following curricular goals are the foundation of the program's direction: 1. respect for the holiness of the human body; 2. the human longing for love; and 3. human anatomy and sexuality. The overarching themes stemming from the above goals are of God's gift of family, self, life, love and community and provide the framework for this curriculum.

The fifth grade program has five general themes: 1. family ties and feelings; 2. communication and change (physical and emotional); 3. parenthood and new life; 4. friendship and marriage; 5. communities and a caring world. These classes will be taught in a group setting, with the exception of the lesson involving physical changes and human sexuality. The students will be separated by gender for instruction in this area.

The sixth and seventh grade program also consists of five themes: 1. family background and traits; 2. knowledge of oneself and one's future; 3. respect for life and aging; 4. expecting a baby, the birth process and the baby's arrival in the family; and 5. family economics and our worldwide family. Instruction in the above curriculum will be in the whole class setting.

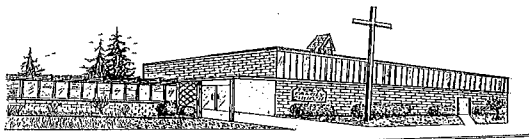

The eighth grade program has five themes: 1. God's gift of family; 2. God's gift of self; 3. God's gift of life; 4. God's gift of love; and 5. God's gift of community. This class will also be in the whole class setting.

The instruction time used for this program will fall within the time allocated for our religion curriculum. Families who have opted to provide this instruction within their home setting instead of having their student have the instruction here at school, will have their students excused from this instructional time. An alternative setting will be provided for them to study.

All materials are available for review. Please feel free to contact your child's teacher or me if you have any questions or concerns. The teachers are looking forward to working with you and your child as they focus on this important area of study.

Sincerely,

Mrs. Teresa Day  
Principal

*Formation for Love and Chastity:  
A Program in Human Sexuality and Family Life*

Parental Consent Form

Guidelines from the Archdiocese of Seattle require that parents take greater responsibility in the human sexuality education and formation of their children. The school/parish are to support – not supplant – the parents. At the same time, the school/parish desires to provide the kind of support needed by the parents to ensure that children receive adequate and positive information about their sexuality based on the teachings of the Catholic Church. Because some parents are concerned about the developmental readiness of their children to receive this instruction or because parents desire to impart this to their own children in the privacy of their homes, the school/parish is providing options for parents.

Please complete for following:

1.  I wish to provide instruction in human sexuality for my child at home. I do not wish to have my child attend these classes in the school/parish. I know that materials are available for me to use with my child.
2.  I wish my child to receive instruction in human sexuality in the classroom.

2ND & 3RD BUGZ

4TH ADVENTURES OF LOUIS & CLARK

March 24 at 1:00 pm  
Holy Family Parish Hall

RSVP [HERE](#)

Dear Families:

We are thrilled to present to you our 2023 Spring Tea Musical at Holy Family School, on Friday, March 24th, at 1 PM, in the Parish Hall. You will have the pleasure of watching our Pre-K through 4th grade students present 3 fantastic musical programs with lots of singing, acting, dancing, and high energy, along with some beautiful scenery & artwork. We will also be serving refreshments such as tea & treats to enjoy during the performance.

-  Our Pre-K, Kindergarten, and 1st graders will be performing "Barnyard Moosical", an imaginative mini-musical about a unique & talented group of animals living at this unusual farm.
-  Our 2nd & 3rd graders will be performing "Bugz", a fun-filled musical about a picnic where every bug gets to pitch in, such as Ladybugs, Fireflies, Army Ants, Bumblebees, and then, uh oh.... a Stinkbug wants to come over as well??!!
-  Our 4th graders will be performing "The Adventures of Lewis & Clark", which tells the story of Captain Meriwether Lewis & Captain William Clark who travel, explore, & chart the new territories of the Louisiana Purchase, under the leadership of President Thomas Jefferson. These three men set out on the expedition with their companions, York, Charbonneau, Sacajawea, and their trusty dog, Scannon. This remarkable story comes to life with 8 entertaining songs, and a very entertaining script.

Our kids have been working hard on learning the songs, their lines, and telling these stories to you through their music.

The show will begin at 1 PM in the Parish Hall; **doors will be open at 12:45 PM for families to arrive and take their seats. Students should bring their costumes to school that day and be ready to wear their attire for the performance.**

In addition, we are also looking for **PARENT VOLUNTEERS** who will be able to help out in the following ways:

- **March 20th, 3:15-4 PM** - setting up of the risers and stage
- **March 23rd, 3:15-4 PM** - setting up the tables & chairs
- **March 24th:**
  - **9:00-11:00** - decorations, plating, brewing
  - **End of performance** - tear down of the hall: tables, chairs, risers, stage, etc.

**Please email Mr. Sharma if you are interested & able to volunteer your time for this.**

If you have any questions, please feel free to reach out to me at: [asharma@hfsauburn.com](mailto:asharma@hfsauburn.com). Again, we're excited to present this wonderful program to you, and thank you for your continued support of Holy Family School & the music program!

Best wishes,

Andy Sharma
