In order to accomplish this, the student must observe the following standards of behavior:

- Model Christ's teachings about love for one's neighbor in all interactions with other students, visitors, volunteers, faculty, and staff members.
- Obey, in letter and spirit, all school rules, policies, procedures, and civil laws.

### **Parent Responsibilities**

The greatest influence on a child's thinking and behavior is his/her parents. Accordingly, it is the parent's responsibility to encourage in the child a positive attitude toward self and learning, and to guide the child in becoming a responsible, caring Christian. Active support from all parents in the following areas is essential:

- Recognize that parents are the primary educators of their children.
- Foster in the student a Christ-like concern for all classmates and their reputations.
- Uphold, in letter and spirit, all rules, policies and procedures of the school.
- Recognize the need to develop in the student a Christian attitude of respect for these rules, policies and procedures.
- Consult with the staff person involved before forming an opinion regarding a student's interpretation of an event or disciplinary action.
- Support all school personnel by conducting all school-home communication in a Christian and civil manner.
- Be available for conferences.
- Attend Mass with their children each weekend.

### **Teacher Responsibilities**

It is the teacher's responsibility to educate students in a manner that ensures not only their intellectual growth, but their spiritual and emotional growth as well. These responsibilities include:

- Maintain an atmosphere which ensures each student's educational and personal growth without fear of intimidation by others.
- Implement the curricula by responsibly using the follow: *Archdiocesan Guidelines for Catechesis*, and elements of the *Washington State Standards* and *Core Curriculum*.

### **Principal Responsibilities**

It is the principal's responsibility to administer the total educational program of the school in conformity with its mission, philosophy and goals. To achieve this end, the following are necessary:

- Represent the needs of the students.
- Inform parents about school rules, policies, procedures and programs.
- Assist and support school personnel in their efforts to implement the philosophy and goals of the school.
- Be accountable to the Pastor for the observance of all school, parish and Archdiocesan educational policies.

### **Pastor Responsibilities**

The pastor is the spiritual leader who takes special care of the Catholic education of the students. As such he is responsible for the total educational program. The pastor is director of the parish school, responsible for defining, promulgating, and administering the basic policies by which the school functions. The pastor delegates the immediate direction of the school and its programs to the principal.

## **POLICY OF ADMISSIONS**

Holy Family School admits students of any gender, race, color, national or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. We do not discriminate on the basis of gender, race, color, ethnic or national origin in administration of educational or admissions policies. Holy Family School does not discriminate against otherwise qualified students and/or applicants on the basis of disability.

A "Parish family" is defined as:

1. One who is registered in the Parish at least six months prior to school registration (unless relocating to the area from another parish).
2. One who has a Stewardship Commitment Card on file with the Parish and is contributing as pledged. A periodic review will be made to verify contributions.
3. One who is participating in the life of the Parish by attending and supporting Parish activities.

### **Admission Procedures for New Students**

1. Registration will begin during Catholic Schools' Week at the end of January.
2. All students seeking admission will be tested prior to placement. After testing, all applicants will be notified as to their admission status. If after testing it is determined that the student qualifies for admission, but there is not a space in the class, they will be placed on the waiting list.
3. Admission of students is dependent upon the results of testing and an interview. Admission is also contingent upon receipt and review of prior school records.
4. Those requesting enrollment into Pre Kindergarten must be 4 on or before August 30<sup>th</sup>, of the school year. Kindergarten must be 5 on or before August 30<sup>th</sup>, of the school year. Those requesting enrollment into First Grade must be 6 on or before August 30<sup>th</sup>, of the school year.
5. If a family chooses not to enter their child in Kindergarten, but wants their child to attend First Grade, they may reserve a space in First Grade only by written request made by September first of what would be the Kindergarten year, and payment of half a year's tuition by the end of February of what would be the Kindergarten year. This tuition will be applied to the First Grade tuition and is non-refundable, unless space is unavailable. Because children already enrolled in Kindergarten have priority for First Grade enrollment, there will be a limited number of spaces available.
6. As openings occur for each grade level, students will be admitted and/or placed on the waiting list. Pre K class size is limited to 20. While our goal at Holy Family School is to limit class size in grades K-8 to 30 students, the maximum class size and staffing may be adjusted from time to time at the discretion of the principal, in consultation with the School Commission and the Pastor.
7. Priority List
  1. Siblings of currently enrolled students.
    - a. The family must be in good standing in regard to the participation, finances, and support of the school. Catholic families must be supportive of the Parish programs.
    - b. A birth certificate, baptismal certificate, current immunization record and health/emergency form must accompany the registration form.
    - c. Educational Materials fee must be paid.
  2. Students of families who meet the definition of "PARISH FAMILY" as defined above. When the applicants are equal, the following will be taken into consideration:
    - a. Longevity in Holy Family Parish
    - b. Siblings of alumni of Holy Family School
    - c. Grandchildren of long-time Parishioners
    - d. Birth date of the student
    - e. Results of any interviews deemed necessary by the Principal
  3. Students of families that are registered in other Catholic parishes with first priority given to Parish subsidized families.
  4. Non Catholic students will be eligible for admission if a place is available after June 1st. Non-Catholic students are placed on the waiting list in the order their applications are received in the school office.
  5. Any exceptions to the priority basis can only be made by the Pastor of Holy Family Parish.

**Re-registration Process for Returning Students**

Students who are enrolled for the current year may be re-registered for the next school year by:

1. Parents returning the January Intent to Return form, stating their desire to re-enroll. If this form is not returned to the school office by FEBRUARY 1st, the student may be removed from the class list for the next school year.
2. After review of current year’s tuition contract compliance, a contract for the next school year will be offered providing all current contract obligations have been met. The review shall include: current tuition payments, fundraising obligations (including service hours), current active Parish status (sacrificial giving and participation in Parish life).
3. Non compliance could result in change of tuition contract status.

**Immunization**

Washington State Law requires entry level students to provide the school with proof of full immunization. This record of immunization is required of all enrolled students of Holy Family School. The month, day, and year of all vaccines must be given.

Pre Kindergarten	1 Varicella 3 Pneumococcal 4 DTP 3 Polio 1 Measles, 1 Mumps, 1 Rubella, 3 Hib 3 Hepatitis B for children born on or after 1-1-95
Kindergarten	5 DTP 4 Polio 2 Measles, 2 Mumps, 2 Rubella 3 Hepatitis B
Grade Six	1 dose of Tdap required

**FINANCES**

The school does not wish to deprive any child of a Catholic education if a family has a genuine inability to meet its financial obligations. Therefore, if circumstances arise such that the family is unable to meet their financial obligations, they must contact the Pastor, the Principal, or a member of the School Commission to apply for special arrangements.

We offer financial assistance through the Archdiocese of Seattle Fulcrum Foundation and the Holy Family School Endowment Scholarship fund and/or the Tuition Waiver Program for those in need of help in payment of tuition.

The Holy Family School Scholarship Fund is used by families who cannot afford tuition, while the Tuition-Waiver Program is for families needing only temporary financial help.

Forms for applying may be picked up in the school office. These forms are kept confidential. Deadline for the completed Holy Family School Scholarship Fund form varies each year please watch for the announcement in Wednesday Letter.

### **Financial Arrears**

Failure to make full payment of tuition or to meet the fund-raising commitments may result in: denial of report cards, holding other school records, required withdrawal from school, and/or denial of future registration.

### **Tuition Agreement Forms**

These forms are filled out at the time of registration. A family is not registered until this form is returned along with payment of the educational materials fee. If registration is cancelled, this fee is non-refundable.

## **PROGRAMS**

### **Religion Classes**

All who work in a Catholic school teach the Catholic faith with the goal of forming intentional disciples. Words and actions reveal the Gospel to a world hungry for kindness, goodness, truth and justice. We are called to discover God's Kingdom, right here, right now. Our work with God's children challenges us to be our best selves in service to those in need. God called you to this task. He chose you for this moment and at this time.

The standards have been re-organized and aligned with the Six Tasks of Catechesis and the Pillars of the Catechism of the Catholic Church.

Six Task of Catechesis:

Anchored in the Catechism, the organization through the Six Tasks in **not** meant to be sequential. Rather, imagine a mobile with six moving parts. The parts move according to many factors within the school year: the Church calendar, the grade level emphasis, literature themes, even science/math experiments. Each experience in a classroom can be viewed through the lens of faith. The Six Tasks call us to provide:

1. Knowledge of the Faith
2. Experience and love of the Liturgy
3. Moral formation
4. Prayer experiences as necessary in the rhythm of life
5. Community and life of the Church, the history and our place in the Church's story
6. Missionary zeal modeled and integrated in service to God's call for our lives!

### **Mass and Liturgy Celebrations**

Mass is celebrated as a school community on the second and fourth Thursdays of the month, when school is in session, at 8:45 a.m. The whole school is involved in the preparation of these liturgies. Other liturgies are arranged for according to the needs of the school or of a particular class. Parents are encouraged to attend these celebrations.

## **PARENT-SCHOOL COMMUNICATION**

### **Communication**

Since as parents you are the child's first teachers, you are our partners in education. Therefore, regular communication with you is an essential part of your child's school experience. Scheduled parent conferences allow teachers and parents to discuss student achievement as well as to develop means to assist students in areas of difficulty.

A parent may request a meeting with a teacher at any time by simply sending a note or email to the teacher in question and the teacher will arrange for this meeting outside class time at a mutually convenient time. The meeting should take place in the classroom or someplace that insures privacy, never in a hallway or on the street. The principal is also available, and parents can arrange a conference through email or phone.

### **Confidentiality**

There is a professional and moral ethic that requires all persons to safeguard all information of a privileged nature.

It is imperative that such information be regarded as a sacred trust.

- If there is evidence of knowledge that could impact on the health or safety of any person, the teacher has the responsibility to share the information with the principal.
- Under Section 423 of the Child Protective Services Act, school officials are required to report when they have reasonable cause to suspect that a child coming before them in their professional or official capacity is an abused or maltreated child.

The rules that govern privileged information apply, as well, to any personal or academic information that is discovered through daily classroom instruction or other social interaction with students, parents or peers. Always the sense of the sacred should prevail.

### **Emergency Communication**

Student Emergency forms must be kept up to date. Immediately notify the school office in writing if changes occur. This student information form is our link to you during the school day.

### **Forms**

School forms such as medication authorization and field trip forms may be downloaded from the Seattle Archdiocese website at <http://www.ocsw.org> or our Holy Family School website <http://www.hfsauburn.org>.

### **Holy Family School Parent Club**

The Holy Family School Parent Club was established for the purpose of assisting the school in fundraising and involving parents in the school community. Volunteer parents are the backbone of many of our programs. Parent comments and suggestions are welcomed by the school administration. Your talents, services, and recommendations may be utilized when practicable and can enrich the quality of education at Holy Family School. Holy Family School Parent Club meetings are held during the school year as shown on the monthly calendar. The Parent Club meetings provide an opportunity for goal setting, education, involvement and socializing.

For the success and everyone's enjoyment at after school Parent club events, we ask as a common courtesy towards everyone at this event and for safety reasons, that parents supervise their children at all times. If any participant sees a child unsupervised they are encouraged to direct the child back to their parents. School rules extend to after school programs and functions.

### **Newsletters and Notices**

Correspondence from the school will be sent home on Wednesday with a designated student from each family. We ask your cooperation in returning the correspondence envelope on Thursday. Most of the Wednesday Envelope information is also available on our school website <http://www.hfsauburn.org>. The newsletter, calendar, and notices will not be sent out until the envelope is returned.

### **Parental Concerns**

The process for communicating parental concerns is:

1. Arrange an appointment outside of school time with the person concerned.
2. If the concern is unresolved, meet with the person concerned and the principal.
3. To arrange a conference, leave a message for the teacher to call you on their extension or send a note to the teacher.
4. Parental communication with any school staff member must be in a professional, courteous and civil manner.
5. DO NOT approach school staff in the hallway, classrooms or in any other area and expect a professional conference.
6. Appointments for the principal are to be made by calling the school office and speaking with the administrative assistant regarding requests.

### **Parent Involvement**

It is expected that parents will become actively involved in their student's progression through school. This would include some involvement in the school programs, conferring regularly with

the student's teacher, and active participation in the Holy Family School Parent Teacher Organization.

### **Visits to School**

If parents wish to visit in the classroom, call the school office and arrange the time of your visit with the teacher. Teachers are only available for conferences by appointment. To arrange a conference, email the teacher or send a note to the teacher. Upon entering the school, parents are required to check in at the office, sign in and wear an identifying badge. Upon leaving, parents are to sign out. This is for the security of the children, faculty and staff.

### **Weekly Packets**

The weekly packets in Kindergarten through Grade 4 are sent home on Thursday of each week. This is the teacher's opportunity for communication with parents. Parents are to review the papers with their child. The green slip in Kindergarten through Grade 4 must be signed and returned to the teacher the following day. Parent comments are welcomed. In Grades 5 through 8, information may be sent home to the parent through email, hardcopy, or on the classroom website.

## **POLICIES – PROCEDURES**

### **Absences**

If a student is ill, parents are to call the school by 8:45 a.m. Upon return to school after any absence, the student must submit a written excuse from parent(s) or guardian(s) explaining the reason for the absence. Students are not to return to school after an illness unless they are able to participate in the full school program including recess and physical education class.

Parents are not to send notes requesting students to stay in from recess as there is no inside/classroom supervision available during recess.

Each student is responsible for any missed work/tests during his/her absence and should be prepared to make up any missed tests on the day he/she returns to school unless other arrangements have been made with the teacher. The student will have to complete all missed work upon his/her return.

If your child has a contagious illness (strep throat, pick eye, lice, chicken pox, etc.) please notify the school office immediately.

### **After School Sports**

Students who wish to attend the sports program at the local public and/or private schools do so at the end of the school day. Those students are still responsible for completing missed school work. If the student does not complete the assignments on the report card it will show \*n/a.

### **Anti-Bullying Policy**

We recognize bullying behavior as any word, look, sign or act that inflicts or threatens to inflict physical or emotional injury or discomfort upon another person's body, feelings or property. We

also recognize bullying as a type of violence that occurs whenever a student intentionally, repeatedly or over time inflicts or threatens to inflict physical or emotional injury or discomfort on another's body, feelings or property. To make our school violence-free and safe from bullying, we tolerate no bullying in our school, intervene in bullying behaviors and strictly enforce rules against bullying, and empower staff and students to report bullying behavior and treat one another with respect.

### **Arrival At School**

Students are supervised beginning at 8:00 a.m. in the parish hall. Students are to wait very quietly in the parish hall, as not to disturb Mass. **Students are not to be on school grounds before 8:00 a.m. unless they are registered for morning extended care.** If students are on school grounds before 8:00 a.m. they will be escorted to extended care and signed in by the Extended Care Supervisor. Extended Care students are to be dismissed from the Extended Care Supervisor at 8:15am to join morning carpool. At 8:20 a.m. the Flag Salute and Morning Prayer will begin. After morning prayer the carpool supervisor will dismiss students to the classrooms in an orderly manner. Students arriving after 8:30 a.m. are to walk directly to the office to receive a late slip. Students in grades Pre K-3 are to enter through the east entrance. Students in grades 4 are to enter through the west entrance.

### **Assessments & Standardized Tests**

Holy Family School expects students to perform to the best of their ability. Teachers are expected to evaluate student progress on a regular basis. Students will be given quizzes or test regularly. In addition to class and school exams your student will also take part in annual standardized tests. These tests measure academic growth over a period of time.

#### Standardized Tests

ITBS and CogAt	Grade 3 to 8	October
----------------	--------------	---------

The faculty of Holy Family School reviews these test results regularly for the purpose of promotion or retention in conjunction with classroom performance and grouping for reading and math.

Teachers-constructed tests in each subject area will be administered during the school year. These tests will contain questions of different formats (true/false, multiple choice, fill-in-the blank, short answer, and essay) and will reflect the material covered in each marking period.

### **Bicycles**

All bikes must be parked in the racks on the playground. Lock bikes and do not leave overnight. For safety, bicycle riding is not permitted on the school premises. Walk bicycles on and off the school grounds.

### **Book Care**

Students are responsible for all damaged and/or lost textbooks, workbooks, and library books. Parents will receive written notice of fines and/or replacement fees. Students are to keep textbooks covered. Do not tape covers to text books or use "stick on" type book covers.

## **Carpool**

The carpool procedure has been designed with the help of the Auburn Police Department for your student's safety. Parents are to follow the carpool diagram carefully.

- **Do not** pick up or drop students in **front** of the school on 17<sup>th</sup> Street.
- Do not leave your vehicle in the carpool line if you come into the school.
- Parents are requested to stay in their vehicle in the carpool line. If a student is unable to get in or out of the vehicle, special arrangements must be made with the school administration to ensure student safety during carpool.
- Students may **not** cross the carpool line at any time.
- Pull forward only after your students have loaded into your vehicle.
- The street between the Parish Center (former convent) and the parish hall is **one** way in the **eastbound** direction only.

## **Cell Phone & iPods, and other Electronic Devices**

Cell Phones, iPods and other electronic devices are not to be used by Holy Family Students at school between the hours of 8:00 a.m. and 3:00 p.m. If a student is using any of these Electronic Devices during the school day the device will be confiscated and returned only to a parent.

## **Cooperation**

Parental cooperation with the school administration, faculty and staff is essential to the school's ability to fulfill its mission and goal. If in the opinion of the administration parent behavior seriously interferes with the teaching/learning process, the school environment or the school community, the school may require parents to withdraw their children and sever their relationship with the school.

## **Conduct Guidelines for Students**

- Classroom disciplinary procedures have been developed for students from Pre Kindergarten through Grade Eight by classroom teachers. Student expectations and consequences for certain behaviors have been developed that are appropriate for these ages. Your child's teacher will inform you of these classroom policies at the beginning of the school year. Please direct your questions to the classroom teacher.
- Service projects, cleaning tasks, writing assignments, fines, detention, or other activities may be imposed, depending on the nature of the offense and the student's developmental and grade level.
- All students and parents are monetarily responsible for the value of any object vandalized; further discipline may be imposed. In cases of spitting, students will clean the object and pay a fine. Damaged or lost textbooks, athletic equipment, or school materials will result in fines.
- When a pattern of repeated misbehavior becomes evident, when there is a serious infraction of school policies, or when behavior is of serious consequence, it will be dealt with by immediate action. This will result in probation, suspension, or expulsion, regardless of the student's grade or age. If time is missed as a result of disciplinary action, it will be made up. Illegal actions such as arson, possession of firearms, extortion, assault, alcohol/drugs, and vandalism, or other serious offenses, can be cause for immediate expulsion.

## **Discipline Plan - Student**

Each teacher will establish a classroom discipline plan. This plan will have a warning for the first offense. This plan will be reviewed with the students and parents. Usually the classroom discipline plan will be implemented before the school wide plan.

### **THE SCHOOL WIDE PLAN IS AS FOLLOWS:**

## **Discipline Terminology**

- **Detention:** Detention involves keeping a student in the classroom under supervision for a set period of time. Students do not miss class time in serving detention.
- **In-school Suspension:** This practice is used for cases when a student needs to be removed from the classroom for a set period of time. The student will do assigned class work at a designated place in the school, separate from other students.
- **Home Suspension:** This practice is used for very serious cases and then only when the principal thinks it is imperative to remove a student from contact with fellow students. Parents will be informed that their child is to remain away from school for a definite number of days, during which time appropriate faculty and parent action is planned.
- **Probation:** Probation is a formal warning that unless set conditions are met, more serious action will be taken. During the probation period, the child will be evaluated on his/her ability to conform to school expectations, whether academic or behavioral. All new students remain on academic and behavioral probation for their first year.
- **Expulsion:** Expulsion is the permanent removal of a student from the school and is the most serious disciplinary act taken. Expulsion may result from a single, very serious infraction or from an ongoing pattern of misbehavior.

## **Dismissal**

The students will be brought to the car pool area by their teachers at 3:00p.m. Teachers will dismiss each child to their parent or designated adult for pick-up. Parents may wait in their cars, forming a line from the back gate, or park in the church parking lot and wait in the breezeway. If you are waiting in the breezeway area please do not remove your student(s) from the line as they are walking out to carpool. Students not picked up by 3:15 p.m. will be placed in the Extended Care Program and the parents will be charged the Emergency Fee.

## **Early Dismissal**

The end of the day is just as important for reinforcing the learning, preparing students for the next day, and homework. Early Dismissal will be granted by the principal only at the written request of the parent. The written note must indicate the time of dismissal and the reason for it. Children dismissed early must be picked up at the school office by the parent and signed out by the parent on the Student Check Out Log.

## **Earthquake Procedures**

### **Earthquake Procedures In the Classroom**

1. Teacher gives the “drop, cover and hold” command at the first indication of ground movement.
2. Students and teacher should move away from windows, tall cabinets, brick walls, and falling objects.
3. Students are to seek protective cover under desks, tables, or chairs in kneeling position with head close to knees. One hand should be holding onto the table or

- chair legs to prevent movement of the protective cover and the other hand over their head.
4. Students remain in “drop, cover and hold position” until the ground movement ends and the teacher directs them to move.
  5. Never try to get out of the building during an earthquake. Always wait until the shaking stops.
  6. When the ground movement ceases, teacher must ascertain possible injury and determine the ability of the class to evacuate to emergency assembly area. In the event the class cannot be evacuated, post red sign immediately. The emergency assembly area in the grass play field on the west end of the school.

#### Earthquake Procedures In Other Parts Of The Building

1. Students “Drop, Cover and Hold” under tables, benches, or in doorways, upon first indication of ground movement. If students are in the hallways or in the parish hall they should drop next to **the inside wall**, and cover their heads with their hands.
2. Students are to remain in the “drop, cover and hold position” until ground movement ends.
3. Never try to get out of the building during an earthquake. Wait until the shaking stops.
4. Students and supervising staff evacuate area in an orderly manner and report to the emergency assembly area. The emergency assembly area is the grass play field on the west end of the school.

#### Earthquake Procedures When Students Are Outside

1. Teacher, or other person in authority will use a signal whistle blowing. (several short blasts) **Do Not Run, but Move Swiftly** away from buildings, trees, playground equipment and exposed wires --- remember, the safest place to be is in the open.  
Implement “Drop and Cover” procedure.
2. When movement ends, students move directly to the Emergency Assembly Area and report to classroom teachers. The Emergency Assembly Area is the grass play field on the west end of the school.

After all students and faculty are out of the building the faculty will break off into their assigned tasks until the parents arrive to pick up their student(s).

#### **Emergency Weather**

If inclement weather necessitates school closing or delay of opening, notification will be broadcast on area radio and television stations. An announcement that the Auburn Public Schools are closed means Holy Family School is closed unless you receive notification to the contrary.

School personnel have no information on closing prior to the radio and television announcements. Please listen to the school closure announcements if the weather is bad or parents may call extension 214 to hear a recorded announcement concerning school closures or delays in school start times or please check our school website at <http://www.hfsauburn.org>.

- KOMO News 4
- KING News 5
- KIRO News 7
- KIRO Radio AM 93.7

In the event of volcanic eruption, earthquake or other natural disaster, the above procedure utilizing local radio and/or television stations will be implemented.

### **Field Trips**

Field trips must have a clearly established educational objective and purpose. Parents will be notified in writing by the teacher when a field trip is planned. **Parents must complete, sign and return the Parental/Guardian Consent Form and Liability Waiver to school before a student may participate in a field trip.** A copy of this form is included in this handbook in case a parent might need to copy the form.

Volunteer field trip drivers are required to be current in the Safe Environment Program. An up-to-date Driver Information Form needs to be completed and turned into the classroom teacher before they may drive students on a field trip. Drivers must understand that their insurance is primarily liable in the event of an injury or accident while they are driving students. Field trip chaperons and drivers are greatly appreciated. Please understand, however, that there are often times when we must limit the number of chaperons and/or drivers attending field trips. For this reason, there may be occasions when some who wish to chaperone and/or drive will not be able to do so.

Field trips are a special privilege afforded to students, not an absolute right. Students may be denied participation in field trips if they fail to meet academic or behavior requirements.

### **Fire Drill and Fire Procedures**

**Signal:** The signal for evacuation of the building is the ringing of the fire bell.

**Evacuation:** The fire signal is a signal to the teacher that the class is to leave the building at once. **THE TEACHER LEADS THE CLASS OUTSIDE THE BUILDING.** The last student in line should close the classroom door. Each room's designated exit is posted by the classroom door. Children are to move in single file. Children should move quickly but in good order with no running. There is to be absolutely no talking. Each teacher must have complete control of the class at all times during an actual fire or drill.

Children and classes who are not in the classroom when the signal sounds should leave the building by way of the nearest exit and join their class outdoors.

Teachers should have their emergency backpacks and check the class immediately once outdoors. The principal will check with them immediately to make sure all students are accounted for.

All exits of the buildings must be kept clear. Outside doors are to be held open by the first two students of the first class to reach the doors. Doors are to be shut immediately after all classes are outside the building. Sometimes, a door may be intentionally blocked to test the reaction of those exiting. If this is the case, the whole class turns about face and leaves by the next nearest exit or as directed by the teacher.

All classes remain in silence outside the building until they are directed to return to the building by the Principal.

As in all emergencies, the following people are in charge. In the absence of one, the next in line assumes responsibility:

- Principal
- Administrative Assistant

### **Guidelines for the Education of Non-Catholics**

The purpose and goal of Catholic education is to witness to the faith and belief of the Church. Holy Family School as a Catholic school within the Archdiocese of Seattle has as its primary mission the formation of children in the Catholic faith.

All children will participate in total academic life of our school, including religious education. According to the norms of our Church, it is expected that non-Catholics participate as fully as they can in the liturgical and prayer life of the school.

### **Harassment Policy**

Harassment is defined as repeated behavior toward an individual or group which would be offensive to a reasonable person, conduct which contains sexual matter or suggestions, or conduct threatening to impose adverse sanction on a person. Harassment includes but is not limited to the following:

- Verbal conduct such as epithets, derogatory jokes or comments, racial or gender based slurs, or unwanted sexual advances, imitations, intimations, or jokes or comments about sex or explicit invitations to have sex. This includes remarks about a person's body by actions such as whistling, gawking or commenting on body parts, pro or con, including obscene gestures or comments.
- Visual displays such as derogatory, racially oriented, gender or sexually oriented, or insulting or threatening posters, photography, cartoons, drawings, or gestures, and displaying threatening, personally insulting, or sexually suggestive objects, photos, or cartoons.
- Physical contact such as assault, unwanted touching, blocking normal movements, or interfering with work, study, or play because of gender, race, sexuality, or attempt to intimidate.

- Threats and demands to take actions or to submit to requests, sexual or other, as a condition of friendship or some benefit or to avoid some loss, including any offer of any benefits in return for favors.
- Retaliation for reporting or threatening to report harassment.

Report of harassment will be held confidential to both the student or teacher/staff member reporting and to the student or teacher/staff member accused. Reports may be made by a parent or by a student other than the alleged victim on the student's behalf.

Our school feels strongly that any means of intimidation, whether of a verbal, physical or emotional nature, can be equally harmful/damaging to the inherent dignity of any individual and will not be tolerated.

### **Homework**

Homework is a very important aspect of the culture of our school. Students attending Holy Family School are expected to do homework with general time guidelines being as follows: Pre Kindergarten and Kindergarten students will learn that homework is a part of the school culture (with no specific nightly time expectations.) Students in grade 1-3 will generally have no more than 30 minutes of homework a night. Students in grades 4 and 5 will have between 40 and 50 minutes of homework a night. Grades 6-8 students will generally have 60 minutes of homework a night with long range projects that may require students to work longer depending on the student's organization and outside school activity schedule.

Each teacher will inform parents regarding homework policy. If problems are apparent about your child's homework procedure, such as staying up late at night, never having homework, or not understanding assignments, please contact the teacher.

We ask parents to reinforce responsibility for self by not sending oral or written excuses for a student's failure to do or complete assignments unless there is a serious reason.

If homework has been a chronic concern the teacher will write a plan for the student. A conference is set in which the teacher meets with the parent and student to review the plan. The plan would be signed by the parent and student. A copy of the signed plan is given to the parent and student.

### **Illness**

Parents will be notified and expected to take their child home immediately in the event of illness during the school day. If your student has a fever you must keep them home for 24 hours until they are fever free without medication. If your child is sick before school, please keep your child home.

If a child has chronic illness such as asthma or a condition that warrants frequent use of the bathroom, it is the parent's responsibility to notify the school and classroom teacher in writing in September so that we are aware of the condition.

## **Injury**

If a serious injury limits your child's ability to participate in physical education class or recess parents are to send a note informing the classroom teacher. Students may not be excused from recess or physical education class without a note from the parent. If a special circumstance arises contact the principal.

### **Lahar and Flood Drill**

This is exactly 1 mile from the Parish Parking lot to the parking lot of the Muckleshoot Bingo parking lot.
- Parents will pick up their student(s) in the Muckleshoot Parking Lot after they have been signed out by a Faculty or staff member.

### **Lock Down Plan**

1. Every staff member carries his/her key at all times.

In the event the need for a lock down exists, the building entry doors will be locked by the following people:

- Front entrance: **Office personnel** will lock the door and check the bathrooms at this time if safe to do so.
- West entrance: **4<sup>th</sup> grade teacher** will lock the door.

2. If the need for a lock down exists, the **Principal or Administrative Assistant** will announce on the intercom, “**Lock Your Doors.**” If the intruder is in the main building hallway, the announcement will include the warning, “**4<sup>th</sup> grade/Library, do not leave**” to indicate that primary teachers are not to attempt to lock the back door, but should immediately lock their classroom doors and remain in their rooms. Visitors and parents are to go to the nearest classroom. The announcement will be repeated three times.

3. **Principal or Administrative Assistant** will immediately **call 911**. As soon as it is possible, **Principal** will notify the Parish Office and the Catholic Schools Department of the situation.

4. When the alert is called, all students, once in a classroom, are to do a drop, cover and hold response while the teacher locks and shuts the door and closes all the blinds. Students then move to a predetermined safe place in the classroom, away from all doors and windows.

5. Any class in transit will go into the nearest classroom. Any student in the bathroom will go to the nearest classroom.

6. Any class outside at recess will be asked to drop to the ground until the recess teachers can assess the situation and provide instructions. At the playground teachers’ direction, middle school students return to the building the same way they exited. Primary students go to the Parish Hall and sit on the floor with the blinds closed pulled until instructed by the office to proceed to their room.

7. No outside building doors are to be propped open unless the teacher is in the classroom.

8. Classes in the Parish Hall or portables are to stay there.

9. When the need for a lock down is over, an “**All Clear**” will be announced over the intercom. At this time, teachers are to tell the class, “There was a problem in the building. It is all taken care of and everything is fine now. When I learn more about exactly what happened, I will tell you.”

10. No teacher or staff member is to speak to media representatives. Only Principal or, in their absence, the Administrative Assistant may respond to the media. If none of these two are present, all questions should be referred to the Catholic Schools Department.

### ***HAND SIGNAL***

### ***3 FINGERS IN THE AIR MEAN “GET HELP”***

### **Medication**

To assure student safety, it is the policy of Holy Family School to require the administration of all medicine, including non-prescription medicine, to students by adults during school hours. In

order for school staff members to administer medicine, including non-prescription medicine, to your student, Holy Family School requires a written note from the doctor and the parent.

Bring the medication to the school office in the original pharmacy container with pharmacy label stating the student's name, doctor's name, medication, and dosage. If for some reason you do not have a doctor's signature, you may come to the office and administer the medication yourself. Most medication can be scheduled for administration before and after school.

### **Money**

Money that is brought to school for a specific purpose (class trip, book fair, milk money, etc.), must be put into an envelope with the child's name and grade and amount. If a student does bring money to the school and misplaces it the school cannot be responsible for lost money.

### **Non-Custodial Parent**

In the absence of a court order to the contrary, the school will provide a non-custodial parent with access to academic records and other school information regarding your child. If there is a court order specifying that this should not happen, it is the custodial parent's responsibility to provide the school with a copy of the court order. Non-custodial parents are generally entitled to receive duplicates sets of report cards, school and special event notices, school calendars, etc.

Non-custodial parents may pick up a child only if previous arrangements have been made.

### **Peanut Policy**

For the safety of children who have life-threatening peanut allergies Holy Family School is a peanut free zone. Peanuts, peanut products, or products containing traces of peanuts will no longer be allowed at Holy Family School.

We know that many parents like to celebrate birthdays and other occasions with special treats. We encourage parents to celebrate with non-food items such as stickers, pencils, themed erasers, or other trinkets, rather than food. Any food sent in to share with students should be pre-packaged and contain an ingredient label. Please give these items to your child's teacher for distribution.

### **Promotion/Retention Policy**

Very few decisions we make about children are more important than recommendations to promote or to retain a student. Most students will be able to follow the school's regular program of sequential learning objectives. If the student successfully achieves the program's objectives, the student progresses to the next grade.

Testing, diagnosis, and actual performance, however, sometimes indicate that some students would benefit from the repetition of the school year. Therefore, the decision to retain a student presupposes that, although the school has done everything to help the student achieve success, the student has not made satisfactory progress. The decision of the principal is final regarding promotion and retention.

## Remittances

To ensure accurate accounting please staple checks to order forms. Place cash in an envelope marked with the student's name and staple the envelope to the order form.

## Report Cards

There are three reporting periods designated as trimesters. Parent-teacher conferences are held in November and optional conferences are held in February. Parents or teachers may opt for a conference at the end of the first, second, or third trimesters. Parents are to contact teachers by phone, email or written note for an appointment, either before or after school, to conference at any other time during the school year. Report cards cannot be given if financial obligations have not been met by the family or before the assigned date.

## Request for Faculty to Complete Consultant Forms

Parents requesting faculty to complete consultation forms for medical, counseling or other professionals must first complete a release form. Release forms are available on request in the school office. All forms completed by faculty will be sent directly to the professional listed on the release forms. Forms will not be given to parents to hand carry to the professional.

### **Seatbelts and Booster Seats**

Holy Family School policy requires all passengers in private vehicles 6 years old or 60 pounds and greater to wear seat belts. Children between 4 years of age or over 40 pounds and 6 years of age or under 60 pounds traveling in a private vehicle must be restricted in **an approved booster seat with a lap and shoulder belt**.

### **Security**

All gates will be closed and locked at 8:45 a.m. daily and will remain locked during the remainder of the day. In the event you need to pick up your student(s) during the school day, please come to the gate located on 17<sup>th</sup> Street and ring the bell. You will be asked to announce yourself and then will be admitted in through the intercom system. At 2:45pm the gates will be opened for carpool.

### **Tardy Policy**

Research shows a direct correlation between student attendance and academic achievement. That means that students need to be on time for school, be in school, and not pulled out early unless absolutely necessary. We cannot help your child to learn if they are not here. Bringing students late and taking them out early not only interrupts their learning but it is disruptive to all the students in their class. Teachers prepare students in the beginning of the day for the day's learning activities. The end of the day is just as important for reinforcing the learning, preparing students for the next day, and homework.

Being late to school devalues the importance of the school experience. Some might say it is disrespectful to teachers and students who are ready to start the day. Another consideration is the Catholic high schools look at attendance and tardy as part of their admission process. When you apply for a waiver to a public high school, they too ask for that information. Please keep in mind that you have a window of 8:00am – 8:30am to drop your child off. Thank you for your support in this matter. I know how much you care for your child's academic success as well as their peers.

When the tardiness become chronic or disruptive to the classroom morning routine:

- First point of contact will be between teacher and parent
- Second point of contact will be between principal and parent
- Third point of contact will be teacher/principal consequence

### **Uniform Policy**

#### **Purpose of Uniform Policy**

Holy Family School maintains a strong tradition of school uniforms that reflect school pride and appropriate regard for personal appearance. Holy Family School also seeks to establish an environment where children are known for who they are inside, rather than for the appearance they project on the outside. Failure to cooperate with the uniform policy will result in

disciplinary action being taken. Uniforms also provide a tangible means of allowing teachers and staff to instantly identify outsiders who may or may not belong on the school grounds.

We expect all parents and students to support and comply with this policy. Time spent by school faculty addressing school uniform compliance is time taken away from teaching. Therefore, out of fairness to others in our school community, parents are asked to carefully supervise what their children wear to school. Questions concerning specific aspects of this policy should be addressed to the principal before sending students to school.

At Holy Family School we wear uniforms because:

- They represent our Catholic school image.
- They discourage differences brought about by various income levels, thus eliminating unnecessary peer pressure and allowing the attention of the students to be directed towards academics.
- They assure that the dress standards of the school emphasize neatness.
- They promote an image of pride both at and away from school and help create a positive climate of discipline and responsibility
- They promote an attitude of moderation and modesty.

### **Expectations**

- It is expected that students will be in uniforms that fit properly and are neat and clean.
- It is expected that students will be in uniforms that are in good repair.

### **Special Days**

#### **Non-Uniform Dress:**

The first Friday of each month will usually be non-uniform dress day. Our students radiate our SLEs especially: Show respect for God, self, and others. You can see it in the way they interact with each other and the staff; how they care for the environment through recycling; and through our student council and service projects, just to name a few. You wouldn't want to reinforce behaviors that are not conducive to your child's success.

- Parents are asked to see that their child wears clothing appropriate for school.
- No tight fitting/spandex type, leggings, torn or ripped clothing,
- T-shirts/sweatshirts with sayings or designs, which advertise drugs, alcohol, skulls, gang symbols, or any other inappropriate subject matter or have sexual innuendos are not permitted.
- Do not purchase clothes for non-uniform days with messages that reinforce non-productive behavior. Some of the sayings are: "Not Listening", "I'm Not Deaf, I'm Just Ignoring You", "Blah Blah Blah is all I hear", "I can only please one person at a time. Today is not your day, and tomorrow doesn't look good for you either", and "Just came here for recess".
- Dresses/skirts must be hemmed to the top of the knee
- No short shorts,
- No low-cut or midriff tops
- No see through lacey blouses/tops
- No hats/caps are to be worn.
- Current trends and fads will be addressed as they arise.
- The uniform may be worn on non-uniform days.

#### **Graduation Dress/May Crowning Guidelines 8<sup>th</sup> Graders Only**

- Girls are to wear appropriate dresses or skirts that would be acceptable in Church. The hem of the dress/skirts must be hemmed to the top of the knee.

- No leggings

- Shoes should be acceptable for Church; young ladies will need to wear them all day

- Boys are to wear dress slacks, dress shirt and a tie

- Students in Grades PK - 8

1. Will receive an Out of Uniform Notification to be signed by their parents for the first warning.
  2. Upon receiving a second Out of Uniform notification the student will serve detention at lunch/break time.
  3. Upon receiving a third Out of Uniform Notification the student will wear his or her uniform on the next Non Uniform Day and serve lunch/break detention.
- If a student wears inappropriate clothing on a Non-Uniform Day he or she will be asked to wear his or her uniform on the next Non-Uniform Day.

### **Physical Education Outfit**

- Athletic type shoes are required.
- Students not having athletic type shoes may be asked to sit-out the class, as safety measures must be observed.
- Uniforms are considered appropriate for P.E. classes.
- Girls wearing skirts on P.E. days should have shorts underneath their skirts.

### **Label All Personal Items**

All uniforms, coats, book bags, backpacks, lunchboxes, etc. must be marked with the student's name.

### **Vacations During School Time**

Parents are asked to avoid deviating from the school calendar or daily instructional schedule for the convenience of family vacations. Unscheduled days off from school for family vacations cause students to miss valuable instruction for which teachers will not provide a special studies program. Teachers will not normally give out work in advance due to a vacation. Parents and students will need to assume responsibility for completing all missed class work and homework.

Parents and students most likely will need to devote additional time to assure that students understand the content taught during the absence due to a vacation. In most cases, absences due to family vacations are not considered excused. Parents should make every effort not to plan appointments or vacations during the time students are taking the standardized tests.

### **Volunteers**

All those volunteering to work in the school and/or parish must complete the Safe Environment program and continue to be current for each year after taking the initial class. By mandate of the Archdiocese, this must be completed before any volunteer assignment can be fulfilled.

### **Weapons Policy**

Since one of the greatest threats to the safety of our children is the presence of firearms and other weapons, it is very important that our students and members of our school community understand the consequence of violating the law.

Bringing dangerous weapons to school property is cause for expulsion. Dangerous weapons include air guns (such as BB guns), knives (including pocket knives), nun-cho-ka sticks, throwing stars, pepper spray, etc. Also prohibited are other objects used in a dangerous or threatening manner, objects that could cause harm, and replicas of dangerous weapons such as

toy guns, toy knives, etc. (See RCW 9.41.28D). Any verbal or written threat of violence or harm will be taken seriously.

#### **RIGHT TO AMEND**

The principal reserves the right to amend this handbook. Parents will be promptly notified if changes are made.
