PRINCIPAL LETTER

Greetings Holy Family!

Welcome to our annual High Hopes Auction, the most cherished tradition of our school. I hope that your time at the auction is full of joy and camaraderie. I also hope you also arrived tonight with a spirit of support for the serious purpose of this event: to raise funds for our children's Catholic education, to engage as one Holy Family community, and to celebrate our awesome school—past, present and future.

Thank you to the faculty, staff and parents who contribute to building our school community throughout the year. It is my deepest honor to serve as principal of our school, and I am proud of what our community accomplishes each day. While we will ask you to give generously this evening, your investment of presence as a community is just as valuable to me. I cannot say it enough when I say how much I appreciate our Holy Family "Family."

I would like to recognize the creativity and effort it took to organize this event both in-person and online. Please join me in thanking our auction sponsors, leaders, volunteers, our pastor Father Roy Baroma, and our auction chair Gretchen Kurth. Each has played an important role in bringing this event to fruition.

Enjoy yourself tonight as we celebrate "70's Peace, Love, and HFS"! This is a time to appreciate one another and our community. Let's also use this time to raise a paddle to continue the celebration of Holy Family School for this year and all the years to come.

Gratefully Yours,

Teresa Day

LETTER FROM FR. ROY

Dear Auction Attendees,

Thank you all for your willingness to support Holy Family School during the Annual High Hopes Auction, "Peace, Love and HFS". Each year we look forward to gathering to raise essential funds to support our students that enable them "to grow in faith, to demonstrate academic excellence, and to model Christian citizenship."

Thank you to the generosity of many families, individuals and businesses who donated the wonderful items you are bidding on this evening.

Your presence here and financial support tonight are one of the keys to the success of Holy Family School. Bless you for your continued support of the school, all the students, and staff, and let's all show our **PEACE & LOVE** in support of Holy Family School!

Yours in Christ,
Fr. Roy

Done your time,
 Put in long hours, too,
 And now, you're ready to retire.
 That doesn't mean your life will end,
 Indeed, it's just about to begin,
 Great moments lie in wait for you
 where life is free of schedules
 time clocks and school rules,
 Adventures abound like sparkling jewels,
 A world of fun discoveries to relate
 that come without an expiration date,
 When the travel bug bites, You're free to take flight,
 And, since you're the boss of what you do,
 Retirement plans are all up to you.
 -Unknown

Mrs. Brock,
 We are amazed at the love and dedication
 you have given to Holy Family School, and all the
 families that have walked through its doors,
 for the past 32 years. As your family we
 wouldn't be who we are without you and all
 that you have done for us. We love you so much
 and can't wait to celebrate your retirement with you in
 June. Only 93 more days to go!

Love, Joe, Lindsay, Matthew, Patrick, Amy & grandkids

HIGH HOPES FUND-A-NEED

Each year during the Auction we have a special request for funding. The funding is typically requested for something that is not included in our regular annual operating budget. As in years past 75% of the funds raised go towards the special funding request and 25% of funds raised go to the HFS Endowment Fund.

2024 HIGH HOPES FUND-A-NEED:

We are here tonight because we love Holy Family School. We want the best resources and opportunities for our students, academically, spiritually, and physically. Every couple of years we evaluate one area of curricular resources to ensure we have the right tools for providing a rigorous program of study. For a year now we have done our reflection and research on our ELA program (reading and writing) and have found we are in need of new resources.

Tonight, we are seeking your support in funding the purchase of a comprehensive K-8 reading and writing program. We have chosen a program called *Wit and Wisdom*, published by Great Minds.

“Wit & Wisdom® was crafted by teachers, for teachers. With every lesson founded on exceptional texts, all learners are empowered to tackle the rigor of grade-level content with confidence and joy. Core texts are wide-ranging, varied, and provide a careful balance of literary, informational, and fine arts texts.”

This program has a foundation of building knowledge while learning the skills of reading, writing, speaking, and listening. Through the use of information-rich anchor texts, our students will dig deep into topics based on what they’ve read that will build knowledge across lessons. Our primary grades will also use the companion phonics program *Geodes* to create the foundation of skills all readers need to succeed.

“Wit & Wisdom’s knowledge building approach moves students beyond just finding the main idea and lays the groundwork to empower the next generation of great writers, thinkers, and leaders.”

The adoption of a new curricular resource is a major investment in our teachers and students. Our purchase this summer will give our teachers all the tools they will need to implement the new program in the fall. Instructional and assessment materials, student texts and workbooks, online resources, and professional development. Our teachers and students are worth the investment!

Please help support us as we give our academic program the boost we need to see reading and writing success for a lifetime by raising your cards to support HFS!

ENDOWMENT SCHOLARSHIP FUND

The Endowment was created in 1985 to provide long range financial security for Holy Family School. The purpose of the fund is to provide student tuition assistance and an affordable Catholic education. The money that is donated tonight will continue to be used throughout the years. The interest from this endowment fund is used to assist families that need tuition assistance.

CHEVRON BID-O-GRAM

HERE'S HOW IT WORKS: The Bid-O-Gram is a separate silent bid auction, running simultaneously during the live auction. It is designed to make bidding easy and convenient for you. You will be able to bid & keep watch on who is the current leading bidder right from your seat.

WHAT ARE THE ITEMS UP FOR BID? The detailed description of each item up for bid can be found in your auction catalog beginning on page 37, in the Auburn Valley Chevron Bid-O-Gram Event section.

HOW DO I BID? Any time you wish to make a bid, just fill out one of the bid sheets on your table and hold it up in the air. A runner will come to collect it. Think of it as Keno-style bidding! In the event of tying bids, the first bid arriving at the Bid-O-Gram table will be recorded.

CAN I BID ON MULTIPLE ITEMS? CAN I BID MORE THAN ONCE? Absolutely! There is no limit on how many times you can bid. As competing bids are received, the current highest bid name, bid number and amount will be shown on the screen. If your bid number is not shown, that means it's time to fill out another bid sheet and make another bid for any dollar amount. There are no guaranteed bids in this section, thus bids can go as high as you desire.

HOW DO I KNOW IF I'M THE WINNING BIDDER? The Auburn Valley Chevron Bid-O-Gram will close after Live Item #25 with no further bids to be accepted. The final winners will be posted on the big screen and our winning bidders can pick up their items upon check out.

GOOD LUCK AND REMEMBER,
BID HIGH AND BID OFTEN!

STUDENT ART PROJECTS

Tonight, while you are shopping, be sure to view the beautiful & unique piece of art your student has created. Each HFS student lovingly made a candle holder for you to purchase this evening. They carefully chose a napkin as the base of their design and then decouped it onto the glass candleholder. Each candleholder contains a tealight that makes the decouped napkin shimmer. Alternatively, the tealight can be removed and be used as a pencil/pen holder or to hold other trinkets.

Please purchase your child(ren)'s artwork by signing the bid sheet on the sign-up table at the auction in the Coldwell Banker Danforth silent auction sign-up area. The item can then be picked up at the end of the evening in Item Retrieval.

THANK YOU TO THE KNIGHTS OF COLUMBUS FOR SPONSORING THE 2024 HIGH HOPES STUDENT ART PROJECTS!

This beautiful clock made by our second grade class reminds us how time is fading. This unique art project incorporates pennies and vibrant artwork to create a mural penny clock. The clock is fully functional and will look beautiful hanging on your wall.
