

2nd Grade News

School begins at 8:20. Please try to have your student here by 8:15.

Tuesday January 15th we have an All School Mass. Please be sure your student is on time and in full uniform.

There will be no school on Friday January 18th or Monday January 21st.

Saturday January 19th is the First Reconciliation Workshop. It will be held in the Parish Hall from 9am to 11am. At least one parent must attend with the candidate.

In math we are finishing our chapter with the learning targets; counting a collection of coins to find its value, adding and subtraction money with regrouping, and solving word problems involving dollars, half dollars, quarters, dimes, nickels, and pennies using the cent and dollar signs.

We are also finishing up our realistic fiction story The Ugly Vegetables. Our learning target with this lesson was using details to figure out more about the story, drawing conclusions.

Our spelling pattern this week is making nouns plural by adding “s” or “es” and we will have some review number words.

In grammar we have been working with proper nouns, special names for people, animals, places, and things.

In religion we continue preparing for First Reconciliation.

Thank you for your prayers and kind words in my absence. The surgery went well.
