February 1- noon dismissal

February 5,6,& 7- MAP Testing

Look What We're Learning

Religion:

The students will be learning about how the Church teaches us to love others and to work for social justice. The students are practicing the Apostles' Creed. On February 22, there will be a quiz on the Apostles' Creed.

Reading:

The students are working on identifying text details within a selection. The book report is due on February 8.

Writing:

The students will be working on writing a two paragraph selection. They will be learning about using commas.

Math:

We are reviewing basic division concepts. We will be starting chapter 7 on division facts. The students will be learning to divide by 3, 4, 6, 7, 8, 9, 11, and 12. Please continue to practice multiplication facts.

Science:

The students will be observing water as ice and recording their observations.

Social Studies:

The students are learning to identify the south middle states. There will be a quiz on these states on February 13.

*We will be continuing our addition and subtraction time tests each week. Please have your child continue to practice addition and subtraction facts.

*Please remember to read at home each day. Remember to record the minutes you read on your reading calendar.

News from Mrs. Kelly:

Our class goal is to complete multiplication time tests on 4, 3, 6, and 7 by February 1st. Please help your child meet this goal by having your child practice multiplication facts each day. Your child can study with flashcards or visit multiplication.com to practice math facts.
