

Third Grade Newsletter

Teacher: Mrs. Kelly
Date: November 29, 2021

"Paws" for These Events

December 3- free dress & please bring a can of food

December 9- school mass led by the third grade

Look What We're Learning

Religion:

The students are learning about Advent. We will be reviewing the Sacrament of Reconciliation in preparation to receive the Sacrament on December 2.

Reading:

The students are learning to draw conclusions using text details. The book report will be due December 2.

Writing:

The students are learning about verb tenses. They will be writing a paragraph with a topic sentence, three detail sentences, and an ending sentence.

Math:

The students are learning to multiply multiples of ten. They will be learning about division. Please practice multiplication facts x0-x12.

Science:

The students are learning about water and its properties.

Social Studies

The students are learning the southwestern states. On December 14, there will be a quiz on these states. They will also be learning about immigration and why people immigrate.

*Each Tuesday your child will have an addition timed test. Each Friday your child will have a subtraction timed test.

*We have started multiplication time tests. Please have your child practice multiplication facts.

*Remember to record at home reading minutes on your reading calendar. Please read 20 minutes each day.

News from Mrs. Kelly

The school community is continuing our outreach program for St. Vincent de Paul. This week we will be collecting paper items, such as toilet paper. Please join us in helping others.
