Dear Parents,

Psalm 145: 3

Great is the Lord and worthy of much praise, whose grandeur is beyond all understanding.

Great Evaluation from the Accreditation Team! Holy Family School's accreditation results affirms our strong Catholic identity, academic program, and dedicate school and parish community. The team describe Holy Family School as "***Small but mighty.***"

The preface from the accreditation team states:

We, the Visiting Committee, wish to commend you, the pastor, administration, faculty, staff, parents, and student body of Holy Family School for working together to make the school a loving, caring, and learning environment. The HFS Spirit was evident throughout our visit, and we pray that the good work that you have done and the plans that you have made for the future will help you become an even better school.

The team found our three days at Holy Family School professionally rich and personally rewarding. We experienced a community where everyone is striving to provide a Catholic environment where quality education is a priority.

We wish to thank all of you, pastor, principal, faculty, staff, parents, and students for your warm and gracious hospitality.

May the Christ we serve bless you with every success as you journey into your future.
