

HOLY FAMILY SCHOOL
<http://www.hfsauburn.com>

*Holy Family School, as part of Holy Family Parish community,
educates and inspires students to grow in faith,
to demonstrate academic excellence, and to model Christian citizenship.*

Dear Parents,

Psalm 145: 3

Great is the Lord and worthy of much praise, whose grandeur is beyond all understanding.

MAP: Map testing continues this week. The 6th and 7th grades are testing on Monday and Tuesday. Next week we will finish testing for 7, 8 and 3 grades. Please make sure your children are well rested and eat healthy foods.

CSW (Catholic Schools Week) I would like to thank everyone for a blessed kick off Sunday for the Catholic Schools Week. The music, readings, altar servers, and school families bringing up the offertory gifts was an outstanding representation of Holy Family School. Three 8th graders, Julia, Sofia, and Selena, shared their personal stories of their time at HFS. They captured the spirit and special bond of their class and the school. Again, thank you to all the families that were able to attend. I am looking forward to all the fun events for the rest of the week!

Prayer intentions: As we venture into the second half of the year, I would like to ask everyone to pray for our enrollment for next year. We pray for families to have the opportunity to have their children enriched with Catholic identity and excellent academics in a loving environment where we openly can talk about faith.

Space Camp News: Several of our 7th and 8th grade students are heading off to Space Camp at the end of May. Here are some of their adventures challenges:
Suit up go on a mission to the International Space Station or Train for a Landing on the Moon! This is a great hands on learning and the ultimate STEM (science, technology, engineering, and math) educational experience for our 7th & 8th grade. They will be given a space challenge and every member in each group will have an integral role in the success of the mission. This is a great training for the need of cooperation and coordination of all aspects of a task.
Space Camp, Astronaut Camp, Huntsville, Alabama.

May God bless you and your family,
Michele Corey
Principal Holy Family School

Dear Parents,
