We are planning Field Day events for June 10, depending on the weather. There will be 5 stations for the classes to rotate. The seventh-grade students will organize and run the stations. The Pre-K through 2nd grade events will start at 9:30am and will be throughout the morning. The 3rd through 6th grade events will start at 1pm. All events will be organized by the 7th grade class. There will be an outdoor lunch, catered from Winco. All events will follow social distancing and the students stay with their classmates.
