Psalm 13 9:4 *Even before a word is on my tongue, Lord, you know it all.*

Dear Parents,

Welcome back! Thank you to all the families that attended the annual clean up day! The grounds look great. We have a special thank you to the Vietnamese community for their participation and the delicious food! The church and school campus looks great. We had such a great turn out and we accomplished a lot. All the helpers made such a difference. Please turn into the office your family members names and time spent helping.

Pre-Kindergarten and Kindergarten open house went well and what a great opportunity to welcome in the new families. Thanks to the teachers for all their prep work. We are blessed with great staff and families.

Middle School Chromebooks are on back order and will be here soon. We will have a date in October where students and parents will come in to sign user contracts, make payments, and learn how we use the Chromebook to enhance student learning and technology.

Reminder again that we do have a new start time. **School will start at 8:20 am** and we will start our all school prayer sharply at 8:20am. The parish hall will be open at 8:00 am. We recommend that the students be at their class lines by 8:15am and the teachers will start taking attendance at that time. If your child is **not** in line by 8:20 am, they will be marked late. This allows our students to be ready and able to participate in our morning prayer. Parents are welcome to join morning prayer any time!

After School Carpool, 3:00-3:10 pm:

Parents may park in the parish parking lot and walk along the sidewalk outside the Parish Hall. Wait for your child under the covered area by the Parish Hall. The teachers will let your child/children walk to meet you. Carpool will be from 3:00 pm until 3:10 pm except on Wednesdays when it will be 2:00 pm until 2:10pm. After 3:10pm any students left at carpool will be sent to Extended Care.

After school carpool routines have some major changes!

1 - Students will be allowed to load once all the cars that are from the end of the portable to the breezeway area. They are to load on the right side only.

2 - All cars are to stay in one line and not pull out to drive around other cars. Once all the cars in the designated area are loaded, the cars will be signaled to move.

3 - Do not load backpacks or instruments in the trunk area while in the carpool line. Either have your child reach over their back seat or wait until you are parked in the parish parking lot and then place the backpacks in the trunk.

There will be two staff members directing the traffic. OUR TOP PRIORITY IS SAFETY FOR THE STUDENTS. We did have some close calls last year.

God bless,
Michele Corey
