

CATHOLIC SCHOOLS WEEK JANUARY 29 – FEBRUARY 3

7,094 Catholic Schools nationwide will begin a week-long celebration soon. Catholic Schools Week, established in 1974, recognizes the valuable contribution our schools make to the church, community, and country. More than 2 million students are now enrolled in our Catholic school network. Based on the average public school per pupil cost of \$12,054, Catholic schools provide \$21 billion in savings each year for the nation.

Holy Family School will conduct many special events and activities in observance of Catholic Schools Week. Please join us in celebrating our school. We extend a special note of thanks to our parishioners who so generously support the work of Holy Family School.

If you are at all interested in being part of a team to keep the Scrip program running for HFS, please send an email to scrip@hfsauburn.com.
