Principal Message

Greetings Holy Family,

Has your child(ren) come home and told you about their experience in PE class yet? Classes yesterday were enjoying a “free play” day between units, and, if our black top has anything to say about it, the students enjoyed their day.

We are so thankful that Ms. Fenton joined us this year. She keeps our students active during class, and I would say that many of our students consider PE one of their favorite classes of the week.

Be sure to ask your child(ren) about PE class each week. They've done some soccer and basketball so far this year, and there have been other fun activities sprinkled throughout these first two months as well.

Peace and blessings to you,
Mrs. Day

Recess & Office Support Needed Oct. 26th-28th

Mrs. Kurth will be away from the building the 26th-28th and Mrs. Day will be out of the building all day for a principal's meeting on the 27th. Both of us are recess supervisors from **11:40-12:40 each day**, AND Mrs. Kurth covers the front desk from **11-11:30 each day**. We need a parent (and two on Thursday) who is free and willing to be present during the office coverage and lunch recess time on each day. **Please contact both Mrs. Day and Mrs. Brock if you are able to assist.** If you are interested in supporting the office at other times during these days let us know.

Colder Weather On the Way

The forecast is projecting (finally) a turn to fall weather, with a high chance of rain starting this Friday and all through next week. As you begin to send your child to school with coats, be sure their name is on the tag! Morning assembly will stay outside in damp weather, and in the case of heavy rain, we will move into the Parish Hall. The same goes for recesses.

MAP Student Growth Reports

These reports are ready and in envelopes today! A document helping you read the report is attached. It was developed by a public school district in Iowa which also uses MAP for tracking student achievement. While the

document, and the video link, has logos and information for their public district, the information is applicable to our reports as well. When you read our forms, our "District" is the Archdiocese of Seattle Catholic schools. You will receive a similar report after each testing session. Our next scheduled testing window will be in the winter, late January time frame.

If you have any questions or concerns about the information in your child's report, reach out to your classroom teacher and Mrs. Day.

Veterans' Day

We are a month away from our annual Veterans' Day Celebration. Between now and then our 2nd grade and the music/band department will be preparing the grand event. I write about this now so that you can tell the beloved Veterans in your lives about our celebration in the hopes that they may be able to join us and be thanked for their service. Mark your calendars for Nov. 10th @ 1:15 PM.
